**RE: LETTER OF REQUEST FOR APPROVAL OF THE PROPOSED THREE (3)  
ENVIRONMENTALLY FRIENDLY GREEN ENERGY SMART CITIES IN THE THREE  
(3) SENATORIAL DISTRICTS OF DELTA STATE UNDER PUBLIC SOCIAL PRIVATE  
PARTNERSHIP (PSPP) UNDERSTANDING IN COLLABORATION WITH DELTA  
STATE GOVERNMENT**

I am directed to refer to your two letters dated 2<sup>nd</sup> June, 2021 regarding the above subject and to inform you to liaise with the relevant Ministries stated in your letter to enhance the implementation of your proposed project in respect of your stated requirements.

2. I am further directed to refer to the meeting between our Agency and your Organization on 15<sup>th</sup> June, 2021 regarding the above subject and advise your organization to carry out due diligence investigation on Rosenthall Group LLC. This is important for you to determine past projects they have successfully funded and to obtain their proof of funds for USD\$2.85 billion for you to submit to Delta Trust Mortgage Bank for further action.
3. Furthermore, there is no specific input required from Delta State Government in your letter other than to instruct MDAs that you are expected to collaborate with. In view of the above, we wish to advise that you follow up with the relevant Delta State Government MDAs as contained in your letters in order to facilitate the implementation of your proposed project.
4. Kindly accept the highest consideration of the Director-General always.
